Who is Danger Aware?

Danger Aware is a 501c3 Non-Profit located in Fresno, CA.

Our purpose is to spread knowledge on how to spot the early warning signs of abuse and to teach men, women and children alike how to stop current abuse and prevent future abuse from happening through free resources, education, contests and games.

We would love to have your support in continuing our mission and thank you for your help!

Currently, we are in need of both financial contributions and/or volunteer efforts.

Boundaries & Personal Space

What are boundaries?

Guidelines, rules or limits that a person creates to identify for him- or herself what are reasonable, safe and permissible ways for other people to behave around him or her and how he or she will respond when someone steps outside those limits.

In simpler terms - boundaries represent physical and emotional limits that you don't want other people to cross. They help define your sense of self by separating your needs, desires, thoughts, and feelings from those of others'.

Boundaries are the dividing lines between you and everyone else and they help make you an individual from the group.

Knowing that you don't like to talk about family problems at work is your boundary, even though your co-workers feel ok doing that.

What is personal space?

Personal space is the physical distance between one person and another.

Personal space is our "comfort zone". When it is breached, we often begin to feel uncomfortable.

It is a type of non-verbal communication that allows us to express without saying anything the intimacy of a relationship, express our emotions and let others know when we are uncomfortable.

Personal space can be considered a boundary with which one feels comfortable. However, these boundaries can be violated in specific situations, such as when confronting someone or if a person is unaware of the other's boundaries.

Big Fresno Fair 2022

We had an amazing first year at the Big Fresno Fair! Danger Aware really embraced the saying "Go Big or Go Home" and went all in for our first event as an organization.

You guys gave us such amazing feedback on our program, games and overall mission and it was an absolute pleasure to meet and talk with every single one of you.

Our daily giveaways were so much fun and we loved seeing the excitement on both the kids and the adults faces who stopped by and played our game!

Thank you again to everyone who came out and made our first event a smashing success!

Trunk or Treat Fun!

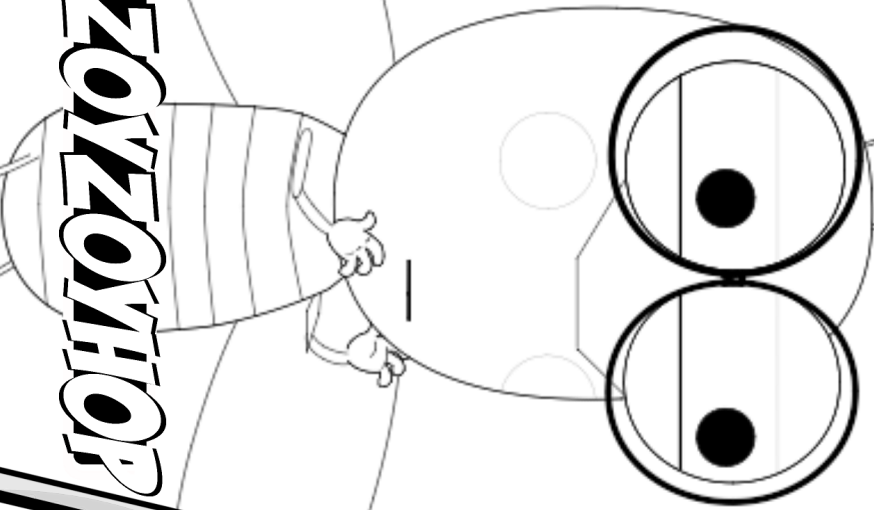

Saturday October 22 at Manchester Center

Danger Aware joined Fresno PD, Fresno County Probation, Grocery Outlet, Home Depot and so many more amazing vendors and organizations. Turnout was amazing and we had just enough candy to finish out the entire event thanks to the generous donation from Anthony at Smart & Final located on N. Blackstone Ave! You're amazing and we appreciate you so much!

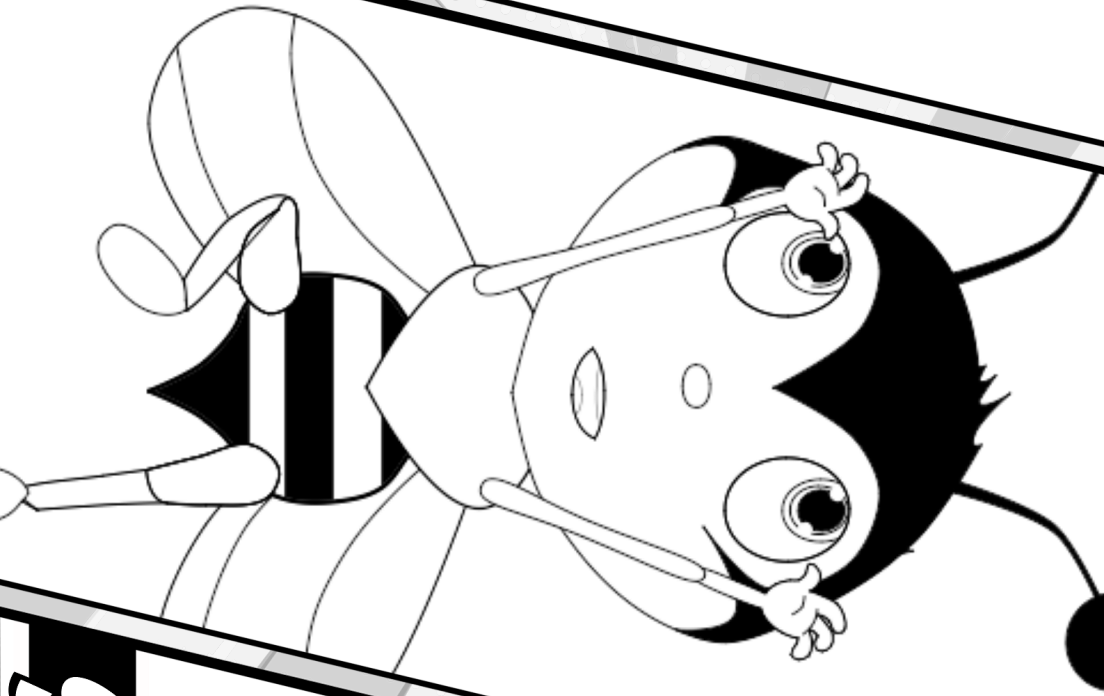

Friday October 28 at Boys & Girls Club East

We joined The Boys & Girls Club East located at 1621 S Cedar Ave for their first Trunk or Treat since pre covid. Tons of kids came by to enjoy the car shows, free food and candy. Thanks to the generous donation from Noah from Grocery Outlet at 5175 E. Belmont for their candy donation which ensured we had enough for each and every kid!
