- Boutique Grand Opening
- Did You Know Facts
- Meet Our Staff

Welcome to Danger Aware "Turn About Boutique"

We Are

Officially

Open

Stop by our boutique located at:
2503 N. Fresno St
Fresno, Ca. 93703

You can also see more pictures on
our Facebook Page by logging onto
our website at
www.dangeraware.org.

Danger Aware is a nonprofit organization whose main objective is to stop all forms of abuse of any kind. We work off donations so any and all monetary donations will be greatly appreciated.

Did You Know?

Purple Heart Day—August 7th:

Purple Heart Day is an observance that commemorates the creation of the Purple Heart Medal in 1782 by George Washington. It is a day to remember and honor the men and women who were wounded while serving in the U.S. Armed Forces.

National Nonprofit Day-August 17th:

National Nonprofit Day seeks to appreciate non-profit workers and to encourage giving to charitable organizations. You can help by giving back to your community—donate money, time or items to a local cause and help make an impact!

Any and all donations are appreciated.

Senior Citizen Day-August 21st:

This observance was established in honor of senior citizens in the US who made positive contributions in their communities. The day was also created to bring awareness of social, health, and economic issues that affect senior citizens.

Over Dose Awareness Day August 31st:

It's a time to raise awareness of drug overdose, strengthen our efforts to prevent overdoses and substance abuse related harms and deaths, and enhance our support for individuals with substance use disorders.

International Overdose Awareness Day is a global campaign that works towards preventing overdose, reducing the stigma associated with it, and providing support to families and loved ones of overdose victims. The unofficial awareness day is observed every year on August 31.

Meet our Staff

Our staff here wears many hats to help get Danger Aware up and running to get the word out that abuse of any kind is not ok. We teach thru our web page, which has games and contests for kids of all ages. All you have to do is log into our webpage at www.dangeraware.org. Once logged on you can play our games, enter our contests with parents consent, win prizes for 1st, 2nd and 3rd place winners and read our news letter. You can also click onto our face book to see our newly remodeled boutique store.

Jennifer Davis

Office Administration

Jennifer does a lot of research for our office. She also gets our office involved in different charity events through out the year.

She makes sure that we are in compliant with federal and government regulations to keep us open. If not for Jennifer we would not be able to have partnered up with other organizations like Boys and Girls club, Hands On and Neighbor Watch Manchester Police Precinct.

Angie Lopez

General Manager:

As General Manager I am responsible for overseeing day to day operations. I help maintain the budget, I set policies and processes.

I prepare regular reports for upper management and ensure staff follows rules and regulations. Some of my strengths are to provide solutions to issues and to be a thoughtful leader and confident decision-maker.

Sadie Flores

Administrative Assistant

My job is to assist the Office Administrator with other office duties. I also create and input new contests on our website, put out the monthly newsletter that involves information on abuse along with "Did You Know" facts and events that Danger Aware is involved in through out the community. I write short stories that involve our insects the Bugillgers and our family the Braxton which includes the twins Selari and Telar.

Jonathon Howell

Animator

Jonathan is our animator and his job is to help create and mobilize the different characters we have on our games and stories. Right now he is working on an animated game that will be featured on our website soon. This game will be based on the character RoeJoeBee and his adventures picking pollen. Visit our Facebook or Youtube page to see his latest work. @DangerAware
