Known Facts in November

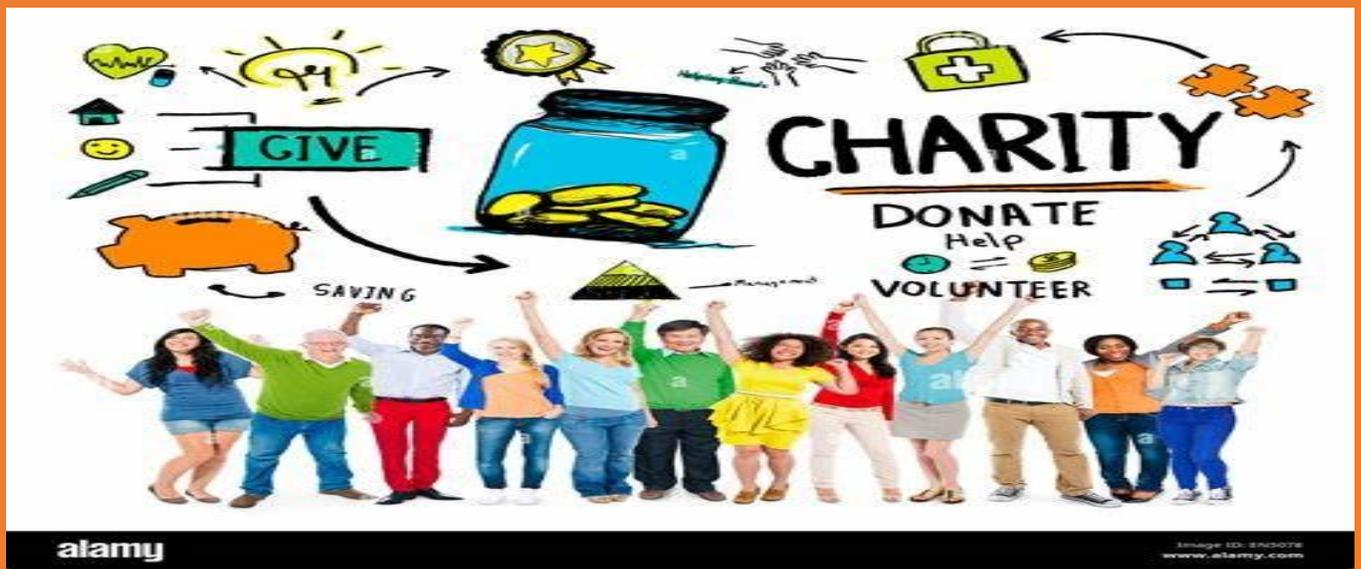

- ◆ Sitting square in between October and December, November is the eleventh month of the Gregorian calendar.
- ◆ November is the last of the four months, which have 30 days. The other months are September, April and June.
- ◆ Many people in the US can recall what they were doing at 12:30pm on
- ◆ November 22, 1963. It was on this day that President John F. Kennedy, known as JFK was fatally shot while riding along with his wife in a procession of cars. He was rushed to a hospital all too late and was pronounced dead at 1pm that day. Kennedy was the fourth US president to be assassinated, after Abraham Lincoln, James Garfield and William McKinley.
- ◆ WWI every year on this day November 11, 1918: The US and Canada celebrated the end of WWI.

Thanksgiving is celebrated on November 23rd each year. This is the day where we give thanks for all that we have:

- *The feeling and the smell of nature.*
- *The basic necessities of life such as air, water and food.*
- *The people who love and care about you, such as your family and friends.*
