## *Danger Aware*

Three years already? What an awesome journey!!!

The more we do , the more needs to be done.

Danger Aware is striving to create the best games and cartoons for the entertainment and knowledge in the prevention of Abuse, a task so much greater than we are capable of doing without help.

From the humblest beginnings' - Danger Aware is ready to confront the task of exposing bad behaviors hidden from public notice.

Using the internet to inform anyone of their right to personal space.

Danger Aware now has a Boutique, Specialty and Antique items, Second hand goods, Sewing and Craft supplies, mending , repair and on line orders.

Danger Aware is getting ready for a food vender to be at the complex on Fridays and there will be special sale items at the boutique.

So many ways anyone can help in preventing abuse.

Danger Aware is so thankful for the donations and support.

Come watch us grow and be a part of something that can change the World

# Special Days in May

May 7, 2024

## National Teachers Day

"A day for honoring teachers and recognizing the lasting contributions they make to our lives."

May 12, 2024

## Mother's Day

Is a celebration honoring the mother of the family or individual, as well as motherhood, maternal bonds, and the influence of mothers in society..

May 27, 2024

## Memorial Day

A federal holiday observed every year. It honors those who died serving in the United States Military.

May Flowers: Hawthorn

Hawthorn Flowers are associated with marriage and are often used in bridal bouquets.

They symbolize maternal love and protection, making them popular for Mother's Day Gifts.

If you like to draw or write stories on your spare time as a volunteer, come join our team. Maybe volunteer a few hours a day to do animation or write stories about The Bugellagers or The Brasston Family. There's a lot of imagination you can use. Make up your own character's regarding the Bugellagers or write stories of the Brasstons family. The creation is open for you to imagine and work with our CIO Ray Howell.

### Writer

As a writer/script writer you can write stories about the Bugellagers and the adventures they will encounter or the Brasston Family and their town and how the twins Telar and his sister Selari might get into a little mischief. And the lesson that they learn from it.

### Telar

### Animator

As an animator learn how to put your characters together limb by limb and how to move their arms, neck, legs. If you already know the basics then work on them while volunteering to use your skills..

### Selari
