

Maybe you should try to lift it first! (hee hee)

> This will be FUNNY!

He might

be hurt! why?!

OW! The stick broke and went through my arm! Ow! ow! ow!!

He used the wrong end of the stick!

No wonder he hurt himself!

> Next time he shouldn't be so bossy

No, I heard you should never pull out a puncture like that, unless a doctor is near.

> (whispered) You should have used the other end of the stick!

I will go get Asperick, don't go anywhere.
