# America Celebrates The 4th of July

The 4th of July which is also known as Independence Day is celebrated through out the United States of our freedom from the King of England. His death symbolized the end of monarchy and in 1776 the towns celebrated independence day with a mock funeral of the king. Some towns celebrated their independence with parades, speeches and the ringing of bells.

Today we celebrate the 4th of July with the American Flags on the front of our houses and Federal Buildings and our Cemeteries, in honor of all of our men and women that have served in the U.S military. Families picnic in the parks or back yards with BBQ foods like hot dogs, chicken, corn and watermelons then at the end the day with fireworks and sparklers, some are shot up into the air so that everyone can enjoy the show. How will you celebrate the 4th of July? Whatever you do to celebrate enjoy, eat hearty, be careful and enjoy the fireworks.

## **France:**

## Events That Danger Aware has participated in:

**June 20:**

### **Met at Our Fathers Home with Paster Isabel:**

Paster Isabel works with the children in her neighborhood where she has made amazing relationships within the community .

Children participated in the painting of their tee-shirts, listened to cops on bikes talk about safety. The fire department also came and talked to the children about fire safety. Danger Aware Organization collaborated with Paster Isabel on that day also on education of youth on grooming warning signs. We had different contest games for the children and according to ages the winners won a prize. Children participated and interacted with games and workshops on dating safety.

Paster Isabel provides so much for the children and families in her neighborhood and does this through funds donated or out of her own pocket. If you would like to learn how to donate, volunteer or find out more the wonderful things Pastor Isabel does, please contact Danger Aware at : (559)477-0940 / (559)488-4357.
